

## AssetProtect Liability Coverages

In the event of a resident caused loss for an insured peril, AssetProtect insures each enrolled unit for up to \$100,000 per occurrence. No Aggregate Limit of Liability exists.

| <b>PROPERTY DAMAGE LIABILITY COVERED</b>  | <b>LIMIT PER OCCURRENCE</b> |
|---|-----------------------------|
| Smoke                                     | \$100,000                   |
| Fire                                      | \$100,000                   |
| Water                                     | \$100,000                   |
| Explosion                                 | \$100,000                   |
| Back up or overflow of sewer, drain, sump | \$100,000                   |
| Falling objects                           | \$100,000                   |
| Collapse                                  | \$100,000                   |
| Loss of Rental Income                     | \$5,000                     |
